Ever wanted to skydive but too scared to jump out of the plane?

Help is at hand!

Now you can indoor skydive

Help us raise vital funds for the

Helen Rollason Cancer Charity

An Indoor Skydive, what's it like?

- It's flying! Imagine a wind tunnel that could be used for testing the aerodynamics of an F1 racing car, turn it upright, gently lean into the airflow and you are skydiving.

How does it work?

- Airkix works simply and safely. The tunnel circulates air into a flight chamber. To enter the tunnel you simply stand in the open doorway and lean forward. You will feel your legs lifted from under you as you assume a horizontal flying position. Congratulations, you are now flying!
- The instructor will help you get into a neutral flying position before teaching you the basic moves. Movements including going up and down, forwards, backwards, sideways and turning are all simple and easy to master and you will soon be learning new tricks!

What do I need to do to qualify?

- All you have to do is raise the relevant amount of money for the flight option you take. All the packages below include all the necessary training, briefing and kit-hire that you will need to make your Indoor Skydive – everything you need to fly, we supply!
 - Individual flight package - £70 / includes 6 minutes of flight.
 - Family flight package - £140 / include 10 minutes of flight split between a maximum of 5 flyers.
- All Airkix Indoor Skydiving packages include the following
 - A fun briefing and instruction period, in which you will learn and practice free-fall and bodyflying techniques.
 - Free locker hire.
 - Free gear hire.
 - A personalised flight certificate for each flyer - signed by one of our instructors and a DVD showing your entire flight session.

- Once you've raised either of these two amounts of money with the help of family & friends you then use our specially designed sponsorship form which you will find at the back of this information pack. Hopefully you will find it easy to raise the amounts and remember that after you've reached these figures every penny you raise over the minimum will go directly to the Helen Rollason Cancer Charity.
