"Enabling quality of life while living with cancer"

The Helen Rollason Cancer Charity is dedicated to championing quality of life for everyone living with or affected by cancer through the provision of free access to our Support Centres providing complementary therapies, information and counselling.

"The help I received was paramount to my recovery. I have nothing but praise for all."

We are here to support men and women with all types of cancer at all stages;

newly diagnosed, throughout and post treatment, as well as their wider support network of family, friends and carers. Our services are delivered free of charge to support cancer patients' emotional well-being alongside their medical treatment.

Your 12 months Helen's Club membership will provide a reflexology treatment or aromatherapy massage.

We focus on offering these services in non-clinical environments to promote a safe, peaceful, relaxing setting across the Essex, Hertfordshire and London regions.

"This is a fabulous service, one that is accepting, supportive and a peaceful place. Thank you from the depths of my heart."

We receive no government or NHS funding to raise the £800,000 we need to keep our services running, but thanks to the generous supporters and businesses across Essex, Hertfordshire and London we are able to remain operational.
